

2010 ZKC EMAIL INTERNATIONAL CLUB TOURNAMENT

722 COMPETITORS & 107 CLUBS TAKING PART FROM THE 5 CONTINENTS

Congratulation to the winning teams:

SCU CLUB FROM CUBA AND THE HAUNABADA CLUB FROM PAPUA NEW GUINEA

The **ZKC** Email International club tournament which concluded on June the 30th has seen a record number of entries entered from the five continents. **107** clubs took part with **722** competitors participating. (**482** males and **240** females entered the tournament.)

The winning club in the male section was the **SCU Club from Cuba**, whilst in the female section it was the **Haunabada Club from Papua New Guinea**. Both clubs will each receive one Olympic barbell set from **ZKC** who is the sponsor of the tournament.

Seven years ago, the Email International Club Tournament, was set up by the O.W.F. specifically to give lifters at club level the opportunity to compete against other lifters world wide. These lifters would normally find it difficult to get an opportunity to participate at international level, especially the younger ones. And we are pleased that this tournament gives all clubs world wide, the chance to compete against each other without any cost whatsoever attached.

On behalf of the OWF, I would like to thank the General Manager of the **ZKC Company**, Mr. Zhang Zhiguo, for his support and contribution toward this event and also towards the development of weightlifting at club level worldwide and also to the IWF for their support.

The Oceania Weightlifting Federation wishes to thank every club which took part in this year's tournament and congratulations to the individual winners and the two winning clubs.

Below you will find some interesting statistics regarding this years event.

Thank you again to all clubs.
