*During the ranking period of 01 January 2021 – 28 February 2022 the maximum number of athletes by CGA will be reduced by one (1) if any weightlifting athlete and/or athlete support personnel (regardless of whether such athlete appears, or not, on the IWF Commonwealth Ranking List) from that CGA records an anti-doping rule violation (ADRV) through testing or investigation conducted by the Independent Testing Agency (ITA) and/or any other WADA approved Anti-Doping Organization. If there are multiple ADRV's recorded by weightlifting athletes and/or weightlifting athlete support personnel during the ranking period of 01 January 2021 – 28 February 2022 the maximum number of athletes by CGA for the relevant CGA will be reduced by the same number as the number of ADRV's.

Additionally, if three (3) or more violations of the IWF's Anti-Doping Rules as sanctioned by the IWF and/or an Anti-Doping Organization other than the Member Federation or its National Anti-Doping Organization are recorded against an IWF Member Federation within a 12 month period, (regardless of whether such athlete appears, or not, on the IWF

Commonwealth Ranking List) under the terms of the IWF's Anti-Doping Rules, the case of the relevant IWF Member Federation will be referred to the Independent Member Federations Sanctioning Panel (Independent Panel). The Independent Panel has the jurisdiction to impose sanctions in accordance with Article 12 of the IWF's Anti-Doping Rule further penalties. In the case of a CGA/athlete becoming ineligible to accept a qualification slot(s) as a result of an ADRV or sanctions imposed by the Independent Panel in line with the IWF's Anti-Doping Rules the respective slots shall be reallocated in accordance with the Reallocation of Unused Qualification slots process.

4 QUALIFICATION FRAMEWORK

The slots will be issued to the CGA in the name of a specific athlete by event for allocation and are therefore non-transferable. <i>**The 2021 IWF Senior Commonwealth Championships will be hosted in conjunction with the 2021 IWF Senior World Championships and the results of Commonwealth athletes at this event will be extrapolated for the purpose of Direct Qualification and for IWF Commonwealth Rankings.</i>	CGA by Athlete by Name by Event

CGAs not affiliated with IWF will be required to affiliate with IWF, or if not eligible to affiliate will be required to obtain approval from IWF before they are deemed eligible to participate*.

* IWF has confirmed that the Home Nations (England, Wales, Scotland, Northern Ireland) the Crown Dependencies (Guernsey, Jersey and Isle of Man) and those British Overseas Territories (BOTs) whereby the jurisdiction lies with British Weightlifting can compete as independent entities at the 2022 Commonwealth Games and the 2021 IWF Senior Commonwealth Championships**. The IWF has confirmed that British Weightlifting as a member of IWF has jurisdictional responsibility of all eligible athletes across the UK (i.e. Home Nations, Crown Dependencies and BOTs whereby the jurisdiction lies with British Weightlifting). These responsibilities include the facilitation and enforcement of an athlete's acceptance and compliance under the international regulations (including eligibility and anti-doping regulations) stipulated by IWF and the standards executed by British Weightlifting. In the case of the Home Nations (England, Wales, Scotland, Northern Ireland), Crown Dependencies (Guernsey, Jersey, and Isle of Man) and BOTs (whereby the jurisdiction lies with British Weightlifting), results attained by British athletes at IWF Sanctioned Events (i.e., competitions where athletes must compete for their IF affiliated organisation) shall be attributed to their eligible CGA for the purposes of the IWF Commonwealth Ranking List. In this case only, it is the responsibility of the respective CGAs (via the IWF member) to ensure the IWF has correctly captured the CGA for which the athlete will represent at the Commonwealth Games, to ensure they are ranked on the IWF Commonwealth Ranking List correctly. This must be carried out immediately following the publication of the results of the relevant IWF Sanctioned Event eligible for IWF Commonwealth Rankings and by no later than 28 February 2022.

5 QUALIFICATION PATHWAY

a) Host CGA

The Host CGA shall be issued with the maximum slot allocation of one (1) athlete per medal event (8 Men and 8 Women).

- Host CGA qualification slots are issued to the CGA for allocation to eligible athletes and are binding to the event. Eligible athletes shall have competed in at least one (1) IWF Sanctioned Event eligible for IWF Commonwealth Rankings within the Ranking Period of 01 January 2021 – 28 February 2022 in the specific medal event in which they are due to entered in at the Birmingham 2022 Commonwealth Games.*

*Where an athlete has not competed in at least one (1) IWF Sanctioned Event eligible for IWF Commonwealth Rankings in the ranking period within the specific medal event that they are due to be entered in, but would otherwise be deemed eligible, the Bipartite Commission may grant an exemption on the grounds of extenuating circumstances.

- Host CGA qualification slots are issued to the CGA for allocation to eligible athletes by event, and the respective athlete(s) can therefore only participate in the Commonwealth Games in the bodyweight category in which they have been entered by the Entry by Name deadline.
- In the event the Host CGA is unable to accept the award of any and/or all slots earned via the Host CGA method, the slot(s) will be redistributed via the Reallocation of Unused Qualification Slots Process.

b) 2021 Senior Commonwealth Championships**

The highest placed Commonwealth athlete from the eight (8) prescribed medal events per gender at the 2021 Senior Commonwealth Championships** will be eligible for Direct Qualification.

- In the event that the highest placed Commonwealth athlete is from the Host CGA, the next highest placed Commonwealth athlete in that medal event at the 2021 Senior Commonwealth Championships** will receive the slot allocation.
- Qualification slots allocated via the 2021 Senior Commonwealth Championships method

are issued to the CGA in the name of a specific athlete by event, and the respective athlete(s) can therefore only participate in the Commonwealth Games in the bodyweight category in which the qualification slot was achieved.

- In the event a CGA is unable to accept the award of any and/or all slots earned via this method, the slot(s) will be redistributed via the Reallocation of Unused Qualification Slots Process.
- The 2021 Senior Commonwealth Championships** will be concluded by 28 February 2022 and will be confirmed by no later than 01 October 2021.
- If the 2021 Senior Commonwealth Championships** is not held due to unforeseen or extenuating circumstances, the one (1) slot allocation per medal event will be allocated to the next highest ranked eligible athlete not otherwise qualified on the IWF Commonwealth Ranking List at the close of the ranking period respecting the maximum CGA representation per medal event.

c) IWF Commonwealth Ranking List

The IWF Commonwealth Ranking List will be used to allocate slots to the *top eight (8) ranked athletes not otherwise qualified per medal event. *For Men's Medal Events 73 kg and 81 kg and Women's Medal Events 64 kg and 71 kg only, the IWF Commonwealth Ranking List will be used to allocate slots to the top nine (9) ranked athletes not otherwise qualified.

- Host CGA athletes may feature in the IWF Commonwealth Ranking List but will not be considered for qualification via this method and therefore will not be included within the *top eight (8) ranked athletes.
- CGAs/Athletes that have already qualified in a specific medal event via the 2021 IWF Senior Commonwealth Championships** may feature in the IWF Commonwealth Ranking List but will not be considered for qualification via this method, and therefore will not be included within the *top eight (8) ranked athletes.
- CGAs will be eligible to qualify a maximum of one (1) athlete per medal event, and the IWF Commonwealth Ranking List has been amended to reflect this maximum representation per event.
- In the event the final slot of qualification has been achieved by more than one athlete with the same result, the slot will be allocated to the athlete that achieved the result first by date and time, calculated according to Greenwich Mean Time (GMT).
- Athletes will be eligible to rank for one (1) individual bodyweight category (medal event) only. CGAs with athletes ranked in multiple bodyweight categories must elect which bodyweight category they wish their athlete to be ranked and submit in writing to the CGF by no later than 28 February 2022. Failure to notify the CGF of the elected bodyweight category by 28 February 2022 will result in the CGF selecting the final bodyweight category on behalf of the CGA firstly based upon the highest rank, and should the rank be equal it will then be selected based upon their most recent result. The IWF Commonwealth Ranking List for the medal event in which the CGA elects the athlete not to compete within, will then be updated to permit the next eligible highest ranked athlete from that CGA to feature on the IWF Commonwealth Ranking List within that medal event only.

- Qualification slots allocated via the IWF Commonwealth Ranking List are issued to the CGA in the name of a specific athlete by event, and the respective athlete(s) can therefore only participate in the Commonwealth Games in the bodyweight category in which the qualification slot was achieved.
- In the event a CGA is unable to accept the award of any and/or all slots earned via this method, the slot(s) will be redistributed via the Reallocation of Unused Qualification Slots Process.
- For the avoidance of doubt, only results achieved by athletes at the below IWF Sanctioned Events in the ranking period only are eligible for the IWF Commonwealth Ranking List. The eligible IWF Sanctioned Events are as follows:

2021

- Senior Commonwealth Championships**
- Junior Commonwealth Championships
- Youth Commonwealth Championships
- The five IWF recognised Continental Championships (Oceania (Online Competition), Europe, Asia, Africa, and Pan America) for Senior, Junior, and Youth
- Tokyo Olympic Games
- IWF Senior World Championships
- IWF Junior World Championships
- IWF Youth World Championships
- Senior British Championships (Results only recognised by athletes from the Home Nations (England, Wales, Scotland, Northern Ireland) and the Crown Dependencies (Guernsey, Jersey, and Isle of Man) and those BOTs whereby the jurisdiction lies with British Weightlifting)

2022 (Results from the below listed events will only be recognised for the purpose of the IWF Commonwealth Ranking List if held by the end of the ranking period).

- The five IWF recognised Continental Championships (Oceania, Europe, Asia, Africa, and Pan America) for Senior, Junior, and Youth
- IWF Junior World Championships
- IWF Youth World Championships
- IWF Senior World Championships
- Senior British Championships (Results only recognised by athletes from the Home Nations (England, Wales, Scotland, Northern Ireland) and the Crown Dependencies (Guernsey, Jersey, and Isle of Man) and those BOTs whereby the jurisdiction lies with British Weightlifting)
- IWF recognised Continental Competition (Oceania, Europe, Asia, Africa, and Pan America)

d) Bipartite Invitation

In recognition of widely and regularly practising Weightlifting athletes who have not otherwise earned a slot-allocation, one (1) Bipartite Invitation slot per medal event will be issued.

Applications for Bipartite Invitation slots are to be submitted by the CGA in accordance with the prescribed deadline. It is at the sole and absolute discretion of IWF and the CGF to allocate a

Bipartite Invitation slot in an instance where no application has been received.

Athletes to be considered by the Bipartite Commission shall have competed in at least one (1) IWF Sanctioned Event within the Ranking Period 01 January 2021 – 28 February 2022 in the medal event with which they wish to enter.

Where an athlete has not competed in at least one (1) IWF Sanctioned Event eligible for IWF Commonwealth Rankings within the Ranking Period in the specific medal event they wish to enter, but would otherwise be deemed eligible, the Bipartite Commission may grant an exemption on the grounds of extenuating circumstances.

CGAs may request this consideration when applying for the Bipartite Invitation slot.

Slots allocated via the Bipartite Invitation method are issued to the CGA in the name of a specific athlete by event, and the respective athlete(s) can therefore only participate in the Commonwealth Games in the bodyweight category in which the Bipartite Invitation slot is awarded.

These slots are non-transferable and in the event the CGA is no longer able to accept the Bipartite Invitation slot it will be redistributed at the sole and absolute discretion of the Bipartite Commission with consideration for the factors listed below.

Allocation of Bipartite Invitation slots are made at the sole and absolute discretion of IWF and CGF. In making these decisions, the Bipartite Commission will consider factors including but not limited to the following:

- Regional representation within the event at the end of the qualification period.
- Depth of field and strength of competition.
- Demonstrated previous levels of performance commensurate to participation in the Commonwealth Games but an athlete has not otherwise attained qualification.
- Eligible athletes who have successfully participated in the CGF development programme (GAPS), that have demonstrated previous levels of performance commensurate to participation in the Commonwealth Games.
- Extenuating circumstances that may have resulted in an eligible athlete being unable to compete in at least one (1) IWF sanctioned event within the Ranking Period 01 January 2021 – 28 February 2022 in the medal event they wish to enter.

e) Confirmation Process of Allocated Slots

At the close of the qualification period, the following procedure will be implemented:

- CGAs with an individual athlete(s) ranked in multiple medal events are required to declare

to the CGF which medal event their athlete(s) wish to compete in;

- CGF will advise CGAs in writing of the slots attained from the Host CGA, 2021 Commonwealth Championships** and IWF Commonwealth Ranking List qualification methods;
- CGAs will confirm in writing their intention to accept the slots attained drawn from the Host CGA, 2021 Commonwealth Championships and IWF Commonwealth Ranking List qualification methods;
- All slots awarded via the Host CGA qualification method will be issued to the CGA for allocation and are binding to the event;
- All slots awarded via the 2021 Commonwealth Championships and IWF Qualification Ranking List qualification methods are issued to the CGA for allocation and are binding to the event and athlete that attained the slot;
- CGAs to nominate to the CGF for Bipartite Invitation slots;
- Bipartite Commission to determine the allocation of Bipartite Invitation slots;
- CGF to advise CGAs of the Bipartite Invitation slots attained;
- CGAs to confirm their intention to accept the Bipartite Invitation slots offered.

f) Reallocation of Unused Qualification slots

Any qualification slots that are not used by the CGA will be reallocated as follows:

- Any unused slots earned via the Host CGA method shall be reallocated via the IWF Commonwealth Ranking List to the next highest ranked eligible athlete not otherwise qualified from that bodyweight category respecting the maximum CGA representation per medal event. Prior to reallocation, ranked CGAs will initially be asked to confirm their interest in receiving the reallocation of unused qualification slots. Where there are no eligible athletes remaining on the IWF Commonwealth Ranking List from the respective medal event(s), remaining slots may be reallocated at the sole discretion of the CGF and IWF.
- Any unused slots earned from the 2021 Senior Commonwealth Championships method shall be reallocated via the IWF Commonwealth Ranking List to the next highest ranked eligible athlete not otherwise qualified from that bodyweight category respecting the maximum CGA representation per medal event. Prior to reallocation, ranked CGAs will initially be asked to confirm their interest in receiving the reallocation of unused qualification slots. Where there are no eligible athletes remaining on the IWF Commonwealth Ranking List from the respective medal event(s), remaining slots may be reallocated at the sole discretion of the CGF and IWF. Should a CGA return a slot earned from the 2021 Senior Commonwealth Championships** they would not be ranked within the adjusted IWF Commonwealth Ranking List in that medal event and

would therefore not be eligible to receive the reallocated qualification slot for that medal event.

- Any unused slots earned via the IWF Commonwealth Ranking List shall be reallocated to the next highest ranked eligible athlete not otherwise qualified from that bodyweight category on the IWF Commonwealth Ranking List respecting the maximum CGA representation per medal event. Prior to reallocation, ranked CGAs will initially be asked to confirm their interest in receiving the reallocation of unused qualification slots. Where there are no eligible athletes remaining on the IWF Commonwealth Ranking List from the respective medal event(s), remaining slots may be reallocated at the sole discretion of the CGF and IWF. The IWF Commonwealth Ranking List has been amended to reflect the maximum CGA representation per event, and should a CGA return a slot earned from the IWF Commonwealth Ranking List then they would have no further athletes ranked within that medal event, and would therefore not be eligible to receive the reallocated qualification slot.

CGF and IWF reserve the right not to reallocate a qualification slot, in the case that the reallocation process results in the potential award of a slot to an athlete whose performance could compromise the safety and integrity of the competition.

6 ATHLETE ELIGIBILITY

To be eligible for endorsement by a CGA, an athlete must:

- Have achieved a valid result in at least one (1) IWF Sanctioned Event eligible for IWF Commonwealth Rankings within the ranking period of 01 January 2021 – 28 February 2022*

*IWF and CGF may consider any valid, personal, and or extenuating circumstances for not being compliant with the above eligibility requirements. All decisions made by IWF and CGF are final with no opportunity for protest or appeal.

- Not be currently under disqualification or suspension by the CGF, or their respective Affiliated CGA or IWF or under the World Anti-Doping Code;
- Have complied with all applicable rules and regulations of the CGF, IWF and the World Anti-Doping Code as may be modified and applied by the Federation to ensure that the overriding principles of the Commonwealth Games are observed. In the case of any inconsistency, CGF rules and regulations will prevail;
- Have met the CGF's eligibility regulations in accordance with the CGF Constitution;
- Have complied with the minimum age regulations as stipulated by the IWF.
