AUSTRALIA WINS THIS YEAR PREMIERS LEAGUE TOURNAMENT

Australia won this years tournament, without a defeat. This last round they defeated quite comfortably Papua New Guinea. We wish to congratulate PNG team for producing some good results in all the rounds competing.

Samoa came second this year to Australia. They produced some world class performances throughout the year. In this last round they competed against Kiribati, who unfortunately, once again, did not field a team.

New Zealand came third, once again, this year in the Premiers League. In the seventh round they did not encounter any competition against Nauru, because Nauru once again did not field a team.

Fiji, the team which was impressive all year and improving from round to round, defeated Solomon Islands even though Solomon Islands put up a very strong team in this round.
